

HealthIE Results

Receive Clinical Data Directly
Into Your Electronic Health Record

HealthIE Results pushes clinical results from diagnostic facilities and other health care providers directly into your electronic health record (EHR), offering near-real-time access to patient test results.

HOW IT HELPS

HealthIE Results facilitates the flow of clinical test results between ordering physicians and diagnostic facilities, such as radiology centers and laboratories.

VALUE TO YOU

REAL-TIME* DELIVERY

Within minutes, ordering care providers receive patient results directly into their EHRs, eliminating wasteful administrative costs (i.e. phone calls, faxing).

PHYSICIAN COLLABORATION

Customizable settings allow for the delivery of patient results to care providers, including all ordering, consulting, and attending clinicians and specialists.
